Welcome to June! What a wonderful month it's going to be - if you haven't heard by now, Marie and I are going to get married this month! Marie and I have been a little busy making arrangements, but the rest of my bridge officers have been performing their tasks at hand. Our Fleet Captain Rob Downs has had a few work parties and with the help of Tony Rodgers they have rebuilt four new docks and working on a fifth. Rear Commodore Jim Swanson with the help of Chad Robertson removed and poured a new entrance way for the carport, thus eliminating the little step that everyone trips on. Vice Commodore Joe Ventura has come up with some great ideas with Chef Dan on the new menu and appetizers at the bar. Don't forget to check out what's happening at the other Clubs as well. There are so many great things happening at our Club and the other Clubs, I encourage you to come out and enjoy all the fun and entertainment that our Club has to offer.

Commodore Steve Tisack

Chart Room Corner

THE DECK IS OPEN!!! Don't forget our new summer hours. Stop in for lunch on Saturday or Sunday all summer long. The bar and restaurant opens at noon. Check out Chef Dan's new menu and daily specials. Also, look for our weekly drink specials at the bar. Let's put that new blender to work! The staff is looking forward to meeting the new members and hopefully seeing some faces we haven't seen in a while. Summer is here...come out and enjoy our beautiful view of the Niagara River. Looking forward to a fun, hot summer. Hope to see you soon! Come in and meet our new server Angela. Welcome aboard!

Please inform Rear Commodore Jim Swanson in the event a member or first mate is hospitalized for illness. He will need to know who it is, the name of the hospital and the room number. Officer's phone numbers are always listed on the first page of the Griffon Log.

Please start bringing Pirate's Raffle donations in and leave them with the bartender or a First Mate.

Vice Commodore Joe signing on,
 June?! Already! Let's get boating everyone! I guess we cannot complain about the weather we are having. Opening Day Ceremony was so beautiful and perfect. We had a good turnout of members. June is here and the next events are Father's Day Brunch and the Blessing of the Fleet. Let's try and attend the Father's Day Brunch and the Blessing of the Fleet on June 20th enjoying ourselves with our fellow members and their first mates.

Look for the new restaurant menu entrees and the new Chart Room snacks. The Chart Room specials are posted on the bar and Chart Room tables. Chef Dan started baking small bread loaves and preparing special flavored butters for your dinner orders. Let us know how you enjoy the revised menus. I'm always looking for new ways to improve our Club. Contact me or any of the House Committee members. Enjoy the new foods and the great weather.

Vice Commodore Joe signing off,

Vice Commodore Joe Ventura

Well summer is finally here and the Club is looking great. I would like to thank Chad Robertson for his help with our new concrete entrance. I would also like to thank the Grounds Committee led by my First Mate Joy, Mike Richardson Sr. and Dawn Downs. Without their time and dedication, our Club would not look the way it does right now. So the next time you see them take a minute to say thanks for their hard work. They deserve it.

We have a few small projects left for the year and will be posting a sign-up sheet in the Chart Room. We still need your help. See you at the Club.

Rear Commodore Jim Swanson

LYC 2nd Annual Golf Outing - July 31, 2010

Wow! What a fast response for people signing up for our 2nd annual golf tournament. We are full! There is a signup sheet in case of any cancellations. The total cost of the tournament is \$75.00 per golfer. \$47.00 is due to Judy at the bar by July 10th along with your shirt size. The rest of the money will be due at Hyde Park on the day of the tournament. All of the details for the tournament are posted on the board in the Club. Let's hope for a good day!

It's boating season! The Marina and Boatyard are in full swing. If you need any assistance, such as travel lift service or slip storage requests, don't hesitate to call me at 417-4683 or see me at the Club for anything you need.

Start making plans now for the 2010 Red Flannel Cruise. We are hoping for a big turnout this year in Middleport on the weekend of September 17-19. Also this year

at the same time, LaSalle Yacht Club will be opening up our facilities to the Inner Harbor Yacht Club for that Club's Red Flannel Cruise. That's right, IHYC will be here for the weekend that we are in Middleport. The LYC Bridge and Board are working very hard to work with other area yacht clubs in the interest of making LYC the best value in boating! More information will be available soon, but for now, the LYC leadership team is excited about having a fleet of boats from a reciprocal Club in our Marina. See me or one of the Officers with any questions concerning the event, or if you wish to visit one of the other Clubs on the river. These reciprocal rights are a big part of what it means to be a member in a yacht club! See you at the Club!

Advertising space available! Please contact R/C Jim Swanson for details if you are interested in a monthly advertisement in the Griffon Log.

From the Gaming Committee -
 The Queen of Hearts game is in progress! Each time you come into the Club, you will have an opportunity to purchase tickets for a weekly raffle. The winner of that raffle will select a card from a sealed deck that will be on display in the Club. The winner will win a cash prize designated by the value of that card. Each week, the prize fund will grow and grow until someone finds the Queen of Hearts and wins the big Jackpot!
 Of course, the game is approved by the New York State Racing & Wagering Board so the membership, the Club and charitable organizations will all benefit.
 Other clubs in the area have reported that their members have won prize funds in the thousands of dollars! Of course the Jackpot amount is dependant on the amount of tickets sold, so come on down and give it a try. Hey, you never know.

Hi! Summer is here and the weather has been great! Hope everyone has been enjoying their boats. Don't forget to mark your calendars for our upcoming Steak Roast on July 10th. It will be a fun day with great entertainment. Also make sure you sign up for our annual golf tournament on July 31st - see Judy for details. I hope to see everyone come out and support our Club's events.
 If you have any great ideas or suggestions for future events, I would love to hear from you. Hope to see you all at the Club soon.

Social Director, Vicky Swanson
