Fall is here and it's time to get the Club ready for the months ahead. Please check the Chart Room bulletin board for work parties and lend a hand. In September we welcomed the Inner Harbor Yacht Club to have their Red Flannel Cruise at LYC while we went to Middleport for our Red Flannel. Everyone had a great time at both events. Again, we had tremendous weather for our Red Flannel. I have received so many wonderful compliments about our Club and staff from our reciprocal clubs. We are building stronger ties with the clubs and I encourage you to take the opportunity to attend some of the functions at the other clubs (they are posted in the Log). It is a great way to meet our fellow boaters. Looking ahead we are going to have an intraclub Spooktacular Halloween Party so get your costumes ready!! Don't be frightened away from this one. *Then again you just may be!*

In November is our Commodore's Ball, it is the grandest of all our traditional events and one that every member should attend. Marie and I look forward to seeing you there, it is sure to be a wonderful time with the band Joy Ride to dance the night away with.

Fall has arrived! Soon the boats will be out, but remember we are still here to serve you. Come in for dinner Wednesday through Sunday. Thanks to everyone for calling in your reservations. It's very much appreciated.

Come in and see Christopher on Mondays and Tuesday for Happy Hour drink prices and 35-cent wings. We hope to see you on Sundays to watch the Bills and don't forget about the baseball playoffs and the World Series. Bucket of beer specials and 35-cent wings on Sundays.

I'm hearing that this year's Halloween Party is going to be bigger and better than ever! Your patronage is very much appreciated. Judy

Please inform Rear Commodore Jim Swanson in the event a member or first mate is hospitalized for illness. He will need to know who it is, the name of the hospital and the room number. Officer's phone numbers are always listed on the first page of the Griffon Log.

Vice Commodore Joe signing on,  
 Fall is definitely upon us, sad to say and the boating season winding down. What a summer! I heard the Red Flannel Cruise was great, as always and I had to miss out this year. Next year for sure!  
 Hopefully by the time you receive the Log, new restaurant equipment will have arrived creating an up-to-date restaurant kitchen environment. It's time for some change from old to new and this will really help Chef Dan optimize the efficiency of operating a restaurant kitchen. Chef Dan will be in his glory and well deserved. A special thanks to Rear Commodore Jim Swanson and Director Dave Ricigliano and others for helping to close the deal.  
 Keep your eyes open for the Club's Halloween party joining with two other yacht clubs. Let's have some fun. Also please plan for the Commodore's Ball party on November 6th.  
 Keep your comment cards coming because they are necessary to improving the Club's services.  
 Vice Commodore Joe signing off,

**Vice Commodore Joe Ventura**

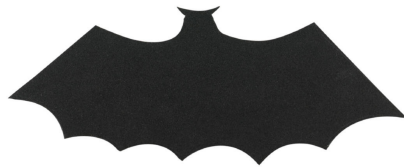

Now that fall is here and the boats are coming out of the water there are still many things going on at the Club. The Grounds Committee will be buttoning up the outside of the Club to prepare for the winter season and putting things away in the Sail Loft for storage.  
 The Halloween Party on October 23rd sounds like it will be bigger and better than ever. Get your costumes ready! Commodore's Ball is coming up on November 6th. Please be sure to attend. Also, don't forget to come out and vote for the Board of Directors on November 8th. There are three seats on the Board up for election.  
 Regular Board Meetings are held on the third Monday of every month. All members are welcomed and encouraged to attend. It would be nice to see some new faces representing the membership. Have fun winterizing your boat and see you at the Club!

**Rear Commodore Jim Swanson**

I know what you're thinking... You're thinking about storing your boat for the winter! The LaSalle Yacht Club Boatyard is open for business. Haul out services are available, or you can store on a trailer. See me at the Club or call me at 417-4683 for all your winter storage needs. Saturdays this fall will be busy, the boatyard needs some cleanup & the travel lift will be in motion. Stop in on Saturday mornings to lend a hand. Slip requests are in the lobby, fill it out for winter storage & leave it for me in the Chartroom. Please keep the area around your boat neat & clean as you work on winterizing. Be safe, have fun & I'll see you in the Boatyard!

Advertising space available! Please contact R/C Jim Swanson for details if you are interested in a monthly advertisement in the Griffon Log.

From the Gaming Committee -  
 Thank you to all that are participating in the Queen of Hearts game. A new deal is underway in the Chart Room. Stop in each week to try your luck in finding the Queen. Last time our lucky winner won over \$850! Don't forget to give the pull tab machine a try, there are a few new deals started, so there are a lot of \$250 winners hidden in there too!  
 A Monte Carlo Night is being planned for this winter, so watch for that date and make plans to bring your friends to that. If you would like to help out with that party, see P/C Grant Babcock or F/C Rob Downs to be a part of that fun. It could be your big chance to be a high rollin' dealer! Good Luck!

What an awesome summer we had! I hope that everyone enjoyed it. Don't miss the Intra-Club Halloween Party coming up on Saturday October 23rd. I'd love to see everyone there - it is sure to be a great time.  
 Commodore's Ball is coming up quickly. Invitations will be out soon. Come out and enjoy one of our Club's most spectacular events.  
 Plan now for the Christmas Dinner Dance on December 11th. Menu options and more details will be out shortly.
