

Don't Own a Boat?

That doesn't mean you can't have a great time! Our social calendar offers a number of events from informal summer affairs like the Steak Roast or Lobster Broil, where your fellow members serve as "Chef of the Day" to formal annual events like the Installation Dinner Dance, the Commodore's Ball or Annual Christmas Dinner Dance. Other popular events over the past years include our famous spaghetti and chicken dinners, Family Picnics, Country Western Night, Mystery Dinner Theatre, Gourmet Night, a rousing Super Bowl party and a Sock Hop just to name a few! Please remember that your LaSalle Yacht Club card will be honored for reciprocal privileges at Yacht Clubs across the United States!

***"Good Cuisine
at a Fair Price"***

Frequently, guests at the Club comment on the high quality of our restaurant and marvel at the low cost. The restaurant staff strive to provide members and guests high quality fare. The restaurant is open Thursday through Sunday during the winter months with expanded hours during the summer months. The House Committee, a committee of members, volunteer their time to manage the food and beverage operations and are always anxious to provide each member a meal to please the palate.

"One of the Best Values in the Greater Niagara Area!!!"

The members of the LaSalle Yacht Club have prepared this brochure to share the features of "One of the best kept secrets in the Greater Niagara Area". That's a comment we hear often and are proud to repeat. LaSalle Yacht Club is located at the foot of 68th Street where the street once intercepted the Niagara River. The main building was at one time the residence of a former Mayor of Niagara Falls. The history of the Club is very interesting and is available in a separate publication.

Interested in Joining Us?

We are proud of our Club and look forward to the opportunity to show it to you. There has never been a better time to join... and there's not a better value in Western New York!

Affordable Choice"***

Membership Plans That Meet Your Needs

LaSalle Yacht Club is first and foremost a social organization that promotes fellowship within our community. Boating, socializing, golfing and card playing are all important facets of membership at LYC. The Club offers a choice of membership including Social and Senior, each tailored to offer men and women of the Greater Niagara Frontier a host of membership services important to their professional, business or social aspirations. We would be happy to provide you with a detailed description of each class of membership. LYC members are eager to sponsor new applicants and help them along the application process.

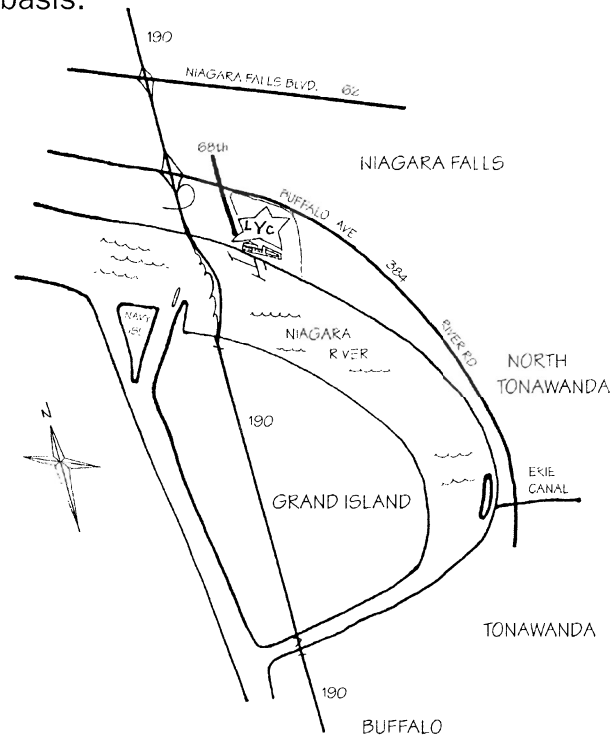

"The Sunsets are truly Spectacular!"

LaSalle Yacht Club is situated on the most beautiful section of the Niagara River. The Club is directly across from Buckhorn State Park and just upstream of the north Grand Island bridges. As the sun sets in the southwest during the summer months, it drenches the restaurant and the chart room with a golden glow. In the winter months, the bridges are ablaze with lights and provide a peaceful backdrop.

Boating Facilities

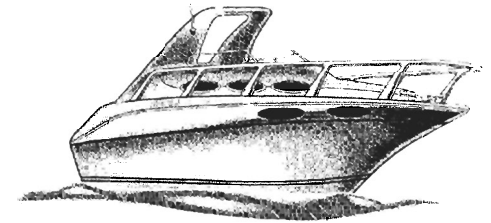

The Club has facilities for craft ranging up to 50 feet in length. There are a total of 67 docks to serve the members who choose to berth their boat at the Club, as well as guest docks for our members and guests of reciprocal yachting organizations. Many of our members also spend their summers aboard their craft while docked at LYC. Additionally, the Club has haul out and winter storage available, and can handle craft up to 12 feet beam and 18,000 lbs. displacement. Winter storage rates are competitive, and members are offered this service on a seniority basis.

Private Party Accommodations

"Our friends that attended our 25th Anniversary Party complimented us on the food and service they received". This is just one of the many compliments the Club receives from people holding private functions in our beautiful dining room. The Club is available to all members for special occasions and specializes in providing members quality food, beverage and service for their private party. Full service accommodations are available for groups large and small. No matter what the occasion, our staff is eager to make your event special! The Club also houses 2 private rooms on the second floor where we can accommodate business meetings or small gatherings.

Red Flannel Cruise

The Red Flannel is one of the Annual boating events at the LaSalle Yacht Club. We have a diverse and active boating community with a number of scheduled events throughout the season, as well as a number of informal groups who roam the "high seas" together. On summer weekends, you are likely to see the LYC Burgee on boats at Point Abino, Sunset Beach, up and down the NY Barge Canal as well as the Niagara River.
